ABOUT

Our Mission

Jeter AI helps singles date smarter by prioritizing compatibility before chemistry. Using AI-driven assessments, Jeter delivers clear insights into emotional, communication, lifestyle, and deal-breaker alignment – because meaningful connections start with clarity.

WHAT MAKES JETER DIFFERENT

Compatibility Before Chemistry
Most apps optimize for swipes. Jeter AI optimizes for alignment – emotional, intellectual, and lifestyle fit before chemistry.

Pay Per Insight – No Subscription
Pay only when you want deeper insights. No monthly lock-in and no subscription dark patterns.

AI With Emotional Safety
Every insight is constructive and judgment-free – designed to reduce dating anxiety, not amplify it.

Data-Driven Events
Virtual speed dating and in-person events powered by compatibility data – not randomness or volume metrics.
